London. The National Gallery

LL8892

TUCK'S POST CARD

CARTE POSTALE.

By Appointment.

The National Gallery, on the north side of Trafalgar Square, was erected at a cost of £96,000 in 1832-38, on the site of the old King's Mews. The Gallery was altered and enlarged in 1860. The Nelson Column, which stands in the centre of Trafalgar Square, was so named in memory of Nelson's great victory. It was built in 1843, is constructed of granite, and stands 145 feet high.
